IMPORT TRADE CONTROL

New Delhi, the 7th May, 1962

SUBJECT.—*Import of Reel and Hose with coupling.*

No. 48-ITC(PN)/62.—Reel and Hose with coupling is classifiable under S. No. 92(n)/V, of the I.T.C. Schedule as shown in the Index to the Red Book for April 1962/March 1963. A question has now been raised whether its import is permissible against quota licences for S. No. 92(n)/V.

The matter has been considered and it is notified for the information of the Trade that quota licences issued for S. No. 92(n)/V, for the current period will not be valid for import of Reel and Hose with coupling.

The above item may be deemed to have been included in remark (ii) against S. No. 92(n)/V, in the current Red Book with effect from the date of issue of this Public Notice. Firm Commitments made prior to the issue of this Public Notice will however be honoured.

K. T. SATARAWALA,

Chief Controller of Imports and Exports.
